To: Fair Food Vendor Applicants

Plans are underway for the 2025 Cedar County Fair which will start on Wednesday, July 9th and end on Sunday, July 13th.

We appreciate your interest in being a part of this year's fair by having your food truck in our food court or grove area.

To apply for a space please see the requirements listed below and fill out the information requested. Submitting this application does not guarantee space is available. Applicants will be notified of the status of application in a timely manner after the return deadline.

- Please advise us on the space required for your entire display area.

_____X_____

Vendors are to provide their own tables, hoses, drop cords and other items needed.

- Vendor space fee is \$600.00
- Arrival Sunday (7/6) between 12PM - 4PM with a set arrival appointment with fairboard prior to the fair.
- Daily Load/Unload Hrs: 6AM - Noon, Mon - Fri, 6AM - 10AM Sat & Sun.
- Sunday (7/13) you may dismantle your display area and remove all of your materials at a time that will be negotiable, based on activity on the grounds. A Fairboard member must be contacted and present to assist with your trailer removal.
- We will have dumpsters available to you for disposal of materials. These dumpsters will also be available for your daily use. We ask that you PLEASE use the dumpsters daily, and not the trash cans available to the public. Please keep your area clean of all debris. We ask that you break down cardboard boxes before putting them in the dumpsters.
- You will need to purchase your own tickets for entrance to the fair. You can order your season passes below, online or pay at the gate.
- The Cedar County Fair Association and/or Fair Board Directors will not be held responsible for accidents or theft.
- Contracts must be received in the fair office by April 1, 2025.
- This application is available to all who show and have shown interest in renting a vendor space. Vendors will be chosen in a lottery format, as we have had a tremendous amount of interest from new vendors. After the deadline, all applications will be reviewed for complete information and a lottery drawing will determine the vendors chosen. Your vendor space will be confirmed once we have your signed application, payment, proof of current insurance, current licensing and full fair menu, including pricing. Failure to provide any of these materials will void any contract.

Any application not chosen will have their information and vendor fees returned.

We look forward to seeing you at the fair

Supplement Sheet

Food Vendor Applicants,

This year we are asking that you please break down any and all cardboard and containers you bring into the grounds and put them in the dumpsters, rather than placing your trash next to the trash cans that are set out for public use. In the past it has caused too much garbage in the food court area. We will also have available for you, a dumpster/reservoir for your used grease/oil only. We will show you that location once we have you in place in the food court. And we will again be appointing arrival times for you on Sunday July 6 between 12PM - 4PM, as to best fit those vendors chosen into place.

This has become very important as we have had problems with late arrivals the last few years getting them into the correct position within the food court.

Thank You
